

MUGA - Make uShark Great Again

THE FINANCIAL REVOLUTION IN A SINGLE TOKEN

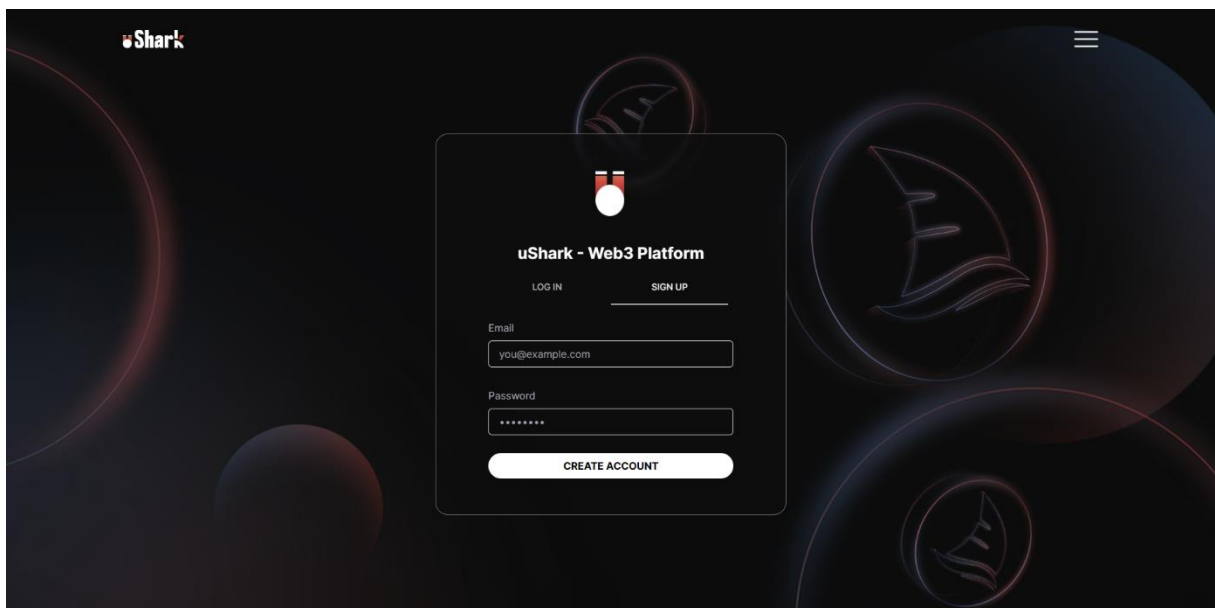

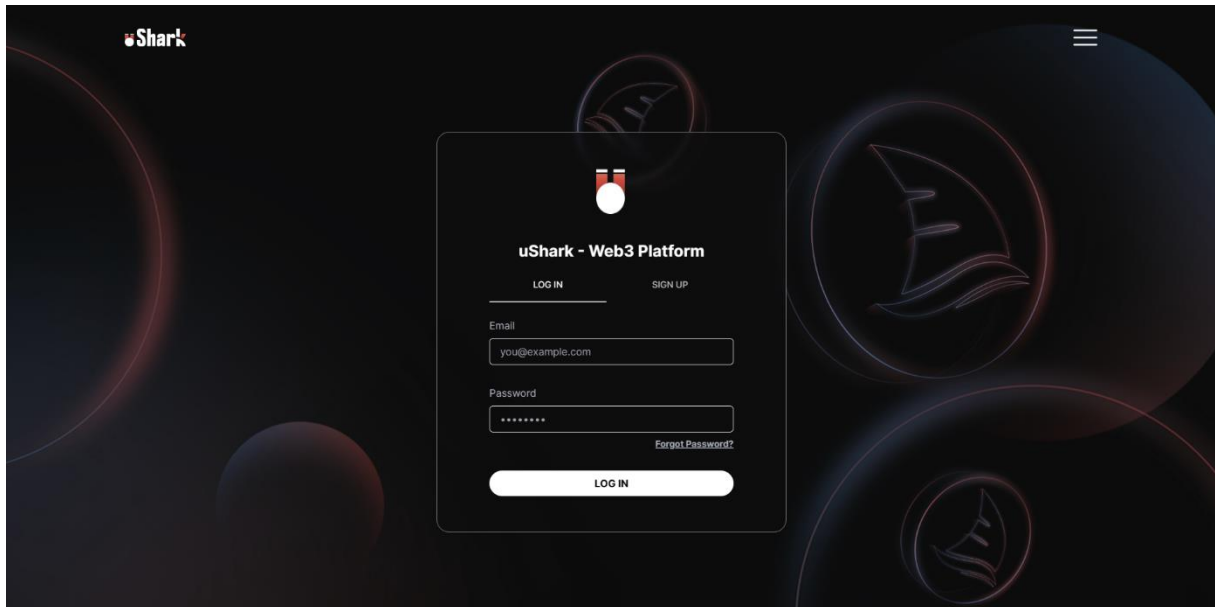

## Instructions on how to buy the uShark Elite Club NFT

Open the following page and click on "Buy NFT"

<https://ushark.org/nfts>

Then choose whether you want to log in with an already created account or create a new account.

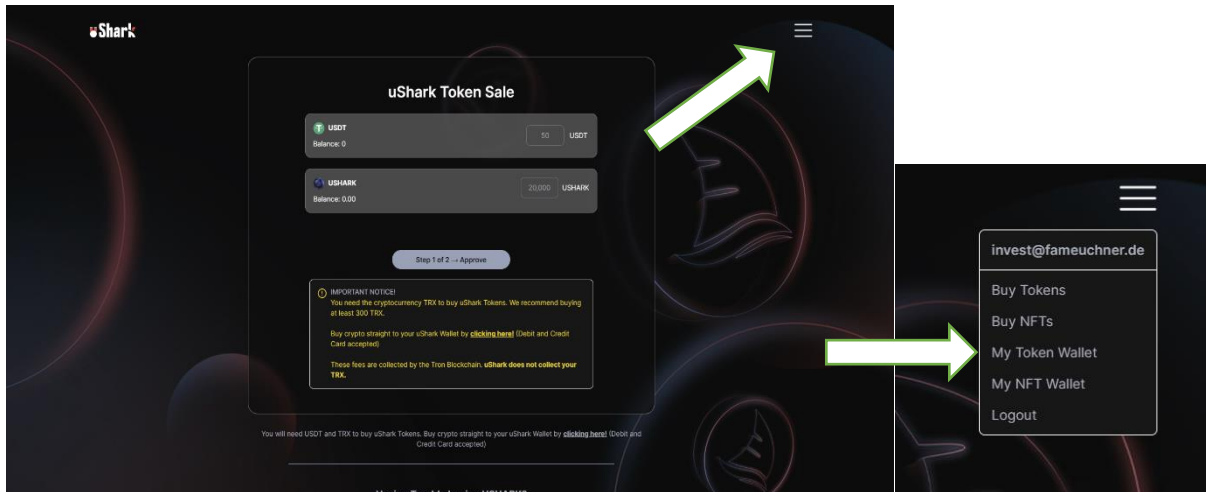

If you have a new account, you will then need to confirm your e-mail address and you can log in.

Then go to the menu and select "My Token Wallet". Here you can now top up your wallet with USDT and TRX. You can either do this directly by credit card or by sending USDT and TRX directly to your wallet.

You may forget to also send TRX to the wallet so that the chain fees can be paid. We recommend loading at least \$10 worth of TRX.

Then go to "Buy NFTs" in the menu and select which NFT you would like to buy.

Then you only have to confirm twice and the NFT will be minted and sent to your wallet.

You can find your purchased NFT by going to "My NFT Wallet" in the menu.
